California Transportation Commission, Southern California Association of Governments, Riverside County Transportation Commission, San Bernardino Associated Governments, Greater Riverside Chamber of Commerce and Inland Action are holding a forum to seek feedback on transportation issues

Riverside, January 7, 2016 – The California Transportation Commission (CTC), Southern California Association of Governments (SCAG), Riverside County Transportation Commission, San Bernardino Associated Governments, the Greater Riverside Chamber of Commerce and Inland Action want to hear from Inland Empire residents about how they view current highway and road conditions, and proposals to stabilize funding for transportation system repairs and maintenance.

These organizations are hosting a public forum to discuss and generate feedback on Thursday, January 14, 2016, 4 p.m. to 6 p.m. at the Riverside County Administration Center located at 4080 Lemon Street, Supervisor's Chambers, Riverside, CA 92501.

Topics to be covered at the forum include roadway infrastructure and maintenance needs at the local, regional and state levels; reasons for California's and the Inland Empire's deteriorating transportation system; and potential short-term solutions to stabilize road repair and maintenance funding over the longer term.

Event participants include: CTC Commissioner Joseph Tavaglione; SCAG Transportation Committee Chair Alan Wapner; CTC Executive Director Will Kempton; Department of Transportation Chief Deputy Director Kome Ajise; Riverside County Transportation Commission Executive Director Anne Mayer; San Bernardino Associated Governments Executive Director Ray Wolfe; Inland Action Transportation Committee Chair John Mirau; and a representative from the Greater Riverside Chamber of Commerce.
